

We have several programs

Bridge School:

A school program for children who have never been to school. This program runs for two years, with the end goal being the children entering 3rd or 5th grade in the public school to continue their education.

Korah Kids:

After attending Bridge School, the students would then enter our next sponsorship program, Korah Kids, which provides the opportunity for them to continue going to school while also providing medical care and food rations for the whole family.

Delivering Hope International:

An organization that helps decrease maternal and infant mortality and improves overall health at a grassroots level.

Saturday Bible Club:

A weekly gathering for children in the community to hear the Gospel and enjoy games and crafts.

We work together to provide for the physical, educational, and spiritual needs of the children and families we serve. Our goal is to support them so that they have access to education and opportunities to thrive in the future.

How can you help?

We have several children waiting for sponsors.

Sponsorship of a child is \$55 per month. You can give either through SIM or to our local bank account.
